

**CROP PRODUCTION TEAM MEMBER
JOB DESCRIPTION**

Summary:

The Crop Production Team Member will assist in the daily processes as required by maintaining the quality of a grain farm. The team member must match our Company Core Values: Honest, respectful, hard-working and safety minded.

Essential Functions:

Operate farm machinery including but not limited to combines, tractors, sprayers, tillage equipment and trucks.

Work Environment:

The employee is exposed to a variety of weather conditions. The employee may be exposed to fumes, chemicals, moving mechanical parts, vibration and loud noises.

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. The employee is occasionally required to sit, stand, climb, stoop, kneel or crouch. The employee must be able to lift up to 75 pounds.

Expected Hours of Work:

Monday through Saturday reporting to work at 7:30 am unless otherwise specified. Length of days are dependent upon the season.

Education: High school diploma or GED preferred.

Experience: One year in farming, grain truck driving and/or equipment maintenance preferred.

Licenses/Certifications: Driver's license is required. CDL not required but beneficial.

Other Duties:

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice.

I understand the requirements, essential functions and duties of the position.
